TEMPLATE COVID-19 RISK ASSESSMENT – STAGE 4 RETURN TO COMMUNITY NETBALL

Further risk assessment templates will be made available for future stages of the Return to Community Netball Roadmap. This template cover training only; if participating in or organising a league or other competition, the Stage 4a (Competition using modified rules) must be used.

What is COVID-19?

Coronavirus disease 2019 (COVID-19) is a respiratory illness that affects your lungs and airways. It is caused by a virus called Coronavirus and affected individuals can display a range of symptoms from mild to severe illness and death for confirmed cases. Affected people can also be entirely asymptomatic. Transmission is by respiratory droplets and direct contact. This Risk Assessment template must be considered alongside current Government guidance as well as guidance from England Netball. Netball Organisations should also consider their existing Health & Safety documents alongside this and this should be kept under continual review. The COVID-19 Officer for your club, league, county or region will need to ensure that this risk assessment remains up to date and in line with both latest Government guidance as well as England Netball’s latest guidance.

Our club name: Omega Netball Club	Our COVID-19 Officer is: Paul Kenny & Andrea Kinninmonth, plus Captains and Vice captains of each team
Name of activity: Training	This activity takes place at : <i>Wormley Playing Fields</i>
Who is carrying out this assessment? :- Present COVID-19 Representative(s)	We will review this risk assessment next on: Next training session
Date of the Risk Assessment - 26th August 2020	

What are the Risks?	Who might they affect?	General controls to be put in place	Activity specific controls to be put in place	Who will be responsible to action?	When does it need to be actioned by?	Is it complete?
---------------------	------------------------	-------------------------------------	---	------------------------------------	--------------------------------------	-----------------
